How to get to Hamilton House from London and the south via M1

- Take M1 to Junction 15
- Follow A508 and then stay on dual carriageway around Northampton on A43
- Follow signs to Kettering and Corby
- At A14 turn left towards M1 for one junction
- Leave at junction 7, signpost to Corby, once more on A43
- At first roundabout there are two routes to Corby indicated, take first exit A6003
- At end of winding dual carriageway (with partial 50mph limit) follow A6003 (2nd exit, straight on)
- Straight over next roundabout junction with A427
- Next roundabout is small, take second exit on A6116 towards Corby. If you find yourself going down a very steep hill with a 30mph limit you have gone the wrong way!
- After half a mile turn left at next roundabout.

- After 200 yards straight over roundabout. You are now in an industrial area.
- After half a mile there is a central right turn lane – filter right into Earlstrees Rd.
- There is Brunel Road on the left, then the entry to a small estate, and then the next estate entry is Earlstrees Ct.
- Hamilton House has offices on the front on the far right as you look from the road – you will see our yellow and blue sign. Please park in front of the offices – plenty of space.

How to get to Hamilton House from the east

- Take A14 from Cambridgeshire / Huntingdon / A1 towards Kettering and the M1
- Leave A14 at junction for Corby –A6116
- After about 13 miles pass around village of Stanion and come to large roundabout.
- Take third exit onto A43 and then immediately get into left lane and filter left at the lights by the Hilton Hotel, still heading for Corby and back onto A6116.
- As you get to the town, go straight over first roundabout, and then turn right (2nd exit) at next roundabout.
- Pass Asda and out of town shopping area on left, and continue on A6116, crossing next roundabout.
- You will be passing through an industrial area now, with cement works etc left and right. This is Phoenix Parkway, and eventually it becomes Gretton Brook Rd (see map)
- After several miles the first major turning on the left is Earlstrees Rd – turn into Earlstrees Rd. If you come to a small roundabout leading into Causeway Road you have just gone about half a mile too far – turn around and go back and take the first on the right – you will see a filter lane in the middle of the road – pull into that and turn right into Earlstrees Rd. (see map)
- There is Brunel Road on the left, then the entry to a small estate, and then the next estate entry is Earlstrees Ct.
- Hamilton House has offices on the front on the far right as you look from the road – you will see our yellow and blue sign. Please park in front of the offices – plenty of space.

How to get to Hamilton House from Peterborough

- Take A47 out of Peterborough, cross A1 and continue to Duddington
- At roundabout take first exit left onto A43 towards Corby
- Continue on A43 to Weldon and then follow A427 towards Corby and Market Harborough
- You leave the industrial area that used to be the steel works and enter an area with housing on both sides
- At next roundabout turn right (3rd exit) on A 6166 onto Phoenix Parkway
- Pass Asda and out of town shopping area on left, and continue on A6116, crossing next roundabout.
- You will be passing through an industrial area now, with cement works etc left and right. This is Phoenix Parkway, and eventually it becomes Gretton Brook Rd (see map)
- After several miles the first major turning on the left is Earlstrees Rd – turn into Earlstrees Rd. If you come to a small roundabout leading into Causeway Road you have just gone about half a mile too far – turn around and go back and take the first on the right – you will see a filter lane in the middle of the road – pull into that and turn right into Earlstrees Rd. (see map)
- There is Brunel Road on the left, then the entry to a small estate, and then the next estate entry is Earlstrees Ct.
- Hamilton House has offices on the front on the far right as you look from the road – you will see our yellow and blue sign. Please park in front of the offices – plenty of space.

How to get to Hamilton House from the north (via M1)

- If travelling down the M1 south, leave at Junction 19, the junction of the M1 / M6 / A14
- Take the A14 towards Kettering, travelling east.
- Leave at junction 7, signpost to Corby, on A43
- At first roundabout there are two routes to Corby indicated, take first exit A 6003

- At end of winding dual carriageway (with partial 50mph limit) follow A6003 (3rd exit, straight on)
- Straight over next roundabout junction with A427
- Next roundabout is small, take second exit on A6116 towards Corby. If you find yourself going down a very steep hill with a 30mph limit you have gone the wrong way!
- After half a mile turn left at next roundabout.
- After 200 yards straight over roundabout. You are now in an industrial area
- After half a mile there is a central right turn lane – filter right into Earlstrees Rd.
- There is Brunel Road on the left, then the entry to a small estate, and then the next estate entry is Earlstrees Ct.
- Hamilton House has offices on the front on the far right as you look from the road – you will see our yellow and blue sign. Please park in front of the offices – plenty of space.

How to get to Hamilton House from the north (Nottingham, Melton, Oakham etc)

- This is a more direct route than taking the M1.
- Take A52, then A 606 from Nottingham to Melton and then Oakham
- From Oakham follow A6003 south towards Corby
- At Rockingham go up very steep hill
- Get into left lane as you approach the top of the hill.
-
- At mini roundabout at top of hill turn left
- After half a mile turn left at next roundabout.
- After 200 yards straight over roundabout. You are now in an industrial area
- After half a mile there is a central right turn lane – filter right into Earlstrees Rd.

- There is Brunel Road on the left, then the entry to a small estate, and then the next estate entry is Earlstrees Ct.
- Hamilton House has offices on the front on the far right as you look from the road – you will see our yellow and blue sign. Please park in front of the offices – plenty of space.

How to get to Hamilton House from the north (via A1)

- Take A1 south
- Pass Grantham
- After about 12 miles turn off the A1 onto B668 to Oakham
- From Oakham follow A6003 south towards Corby
- At Rockingham go up very steep hill
- Get into left lane as you approach the top of the hill.
- At mini roundabout at top of hill turn left
- After half a mile turn left at next roundabout.
- After 200 yards straight over roundabout. You are now in an industrial area
- After half a mile there is a central right turn lane – filter right into Earlstrees Rd.
- There is Brunel Road on the left, then the entry to a small estate, and then the next estate entry is Earlstrees Ct.
- Hamilton House has offices on the front on the far right as you look from the road – you will see our yellow and blue sign. Please park in front of the offices – plenty of space.

How to get to Hamilton House from south via A1

- Leave A1 at junction with A14 and turn left towards Kettering and M1 / M6

- Leave A14 at junction for Corby –A6116
- After about 13 miles pass around village of Stanion and come to large roundabout.
- Take third exit onto A43 and then immediately get into left lane and filter left at the lights by the Hilton Hotel, still heading for Corby and back onto A6116.
- As you get to the town, go straight over first roundabout, and then turn right (2nd exit) at next roundabout.
- Pass Asda and out of town shopping area on left, and continue on A6116, crossing next roundabout.
- You will be passing through an industrial area now, with cement works etc left and right. This is Phoenix Parkway, and eventually it becomes Gretton Brook Rd (see map)
- After several miles the first major turning on the left is Earlstrees Rd – turn into Earlstrees Rd. If you come to a small roundabout leading into Causeway Road you have just gone about half a mile too far – turn around and go back and take the first on the right – you will see a filter lane in the middle of the road – pull into that and turn right into Earlstrees Rd.
